

Cameley Parish Council recently held a Coffee Morning to consult with the Village over the plans for the Play Area and other facilities on the Temple Cloud Playing Field.

We were disappointed we did not get to meet anyone from the football club. We really want to find out your views on the plans and also about your needs as a club.

The plans are available on the Cameley Parish Council website:

<http://www.templecloud.org.uk/play-area-project/>

There is also a link on the website to complete a questionnaire here:

<http://www.templecloud.org.uk/complete-the-playing-field-questionnaire/>

The online survey is still open and we welcome everyone's views.

We really want to find out what both players and managers think and what you want to be considered but we can only do this if you fill out a questionnaire or get in touch!

**Jenny, Parish Clerk**
