

Temple Cloud in Bloom

It's been a busy month of weeding, tidying and planting for a colourful display to take us from Autumn to Spring.

The sun shone for our monthly working morning, a bulb planting extravaganza took place at the Village Hall and Paulmont Rise. After weeding, daffodil, tete e tete, and crocus bulbs were planted, in total over 300!, looking forward to seeing them emerge in the Spring.

Our next Community Gardening Get Together is on **Saturday 11th November between 10am-12pm**. So, please come and join us, meeting at the end of Paulmont Rise. All are welcome, tea and coffee and homemade cakes provided!! Just bring tools and enthusiasm.

Take a look at our Facebook Page, Temple Cloud in Bloom TCiB, and keep up to date with progress and forthcoming events.

If you can't join us, here are 3 jobs for the garden over the coming month.

1. It's time to get tulip bulbs in the ground or pots for spring colour.
2. Sweep away leaves from lawns and flower beds, clear from ponds if you have one.
3. Encourage birds into the garden, regularly place food and water out for them.

Our AGM is being held on Tuesday 14th November at 7pm, if you are interested in attending or getting involved please contact Doris on 451060.
